

# HOLISTIC CANCER CARE TRAINER

I am a registered nurse with over 10 years of experience in health care. Training packages will be offered to Primary Care to improve personalised care for those affected by cancer until March 2026.

## Training Highlights :

- Four fully tailored packages
- Various methods of delivery
- Interactive learning
- Free!

## What's Included?

- Understanding of Holistic Needs Assessments & Cancer Care Reviews
- Understanding of Personalised Care for those affected by cancer
- Talking about cancer
- Health inequalities - plus more!
