1. Introduction

1.1 Foreword

NHS England has set out the following as the four core purposes of ICSs:

- a) improve outcomes in population health and healthcare
- b) tackle inequalities in outcomes, experience and access
- c) enhance productivity and value for money
- d) help the NHS support broader social and economic development.

The ICB will use its resources and powers to achieve demonstrable progress on these aims, collaborating to tackle complex challenges, including:

- improving the health of children and young people
- supporting people to stay well and independent
- acting sooner to help those with preventable conditions
- supporting those with long-term conditions or mental health issues
- caring for those with multiple needs as populations age
- getting the best from collective resources so people get care as quickly as possible.

Our Integrated Care System

The Norfolk and Waveney Integrated Care System (“the ICS”) is made up of a wide range of partner organisations, working together to help people lead longer, healthier and happier lives. The ICS is comprised of an NHS Integrated Care Board working with an Integrated Care Partnership committee formed jointly with local authority partners.

Over and above everything else we want to achieve, we’ve set ourselves three goals:

1. To make sure that people can live as healthy a life as possible.

This means preventing avoidable illness and tackling the root causes of poor health. We know the health and wellbeing of people living in some parts of Norfolk and Waveney is significantly poorer – how healthy you are should not depend on where you live. This is something we must change.

2. To make sure that you only have to tell your story once.

Too often people have to explain to different health and care professionals what has happened in their lives, why they need help, the health conditions they have and which medication they are on. Services have to work better together.

3. To make Norfolk and Waveney the best place to work in health and care.

Having the best staff, and supporting them to work well together, will improve the working lives of our staff, and mean people get high quality, personalised and compassionate care.

The partners in our ICS work together at ‘system’ level across Norfolk and Waveney, more locally at ‘place’ and ‘neighbourhood’ levels, and through our primary care networks and provider collaboratives.

Our Integrated Care Board

NHS Norfolk and Waveney ICB (“the ICB”) was formed on 1 July 2022 and covers the same area as the former Norfolk and Waveney CCG previously did. The ICB brings the local NHS together to improve population health and care. The responsibilities of the ICB include developing a plan to meet the population’s health needs and arranging for the provision of health services.

As with all NHS bodies that plan and commission services in England, NHS Norfolk and Waveney ICB and our local NHS trusts and foundation trusts are subject to the triple aim duty, and as such consider the effects of their decisions on:

- the health and wellbeing of the people of England
- the quality of services provided or arranged by both themselves and other relevant bodies
- the sustainable and efficient use of resources by both themselves and other relevant bodies

Our Integrated Care Partnership

Our Integrated Care Partnership (“the ICP”) brings together the local NHS, local authorities, the voluntary, community and social enterprise sector and other partners that have an impact on the wider determinants of health. The ICP is responsible for agreeing an integrated care strategy for improving the health care, social care and public health across the whole population. The ICB is required to have regard to the ICP’s Integrated Care Strategy when making decisions, commissioning and delivering services. The ICP is a statutory committee of the ICB, Norfolk and Suffolk County Councils.

The membership of the ICP is the same as the Norfolk Health and Wellbeing Board and includes representatives from Suffolk County Council and Waveney. The partners involved are the ICB, providers of health and care services, our county, district, borough and city councils, voluntary, community and social enterprise sector organisations, Healthwatch, the Constabulary and the Office of the Police and Crime Commissioner.

This Constitution for the ICB and the terms of reference for the ICP are aligned to ensure that our governance arrangements are clear, and more importantly, that all partner organisations are working toward the same aim and goals.

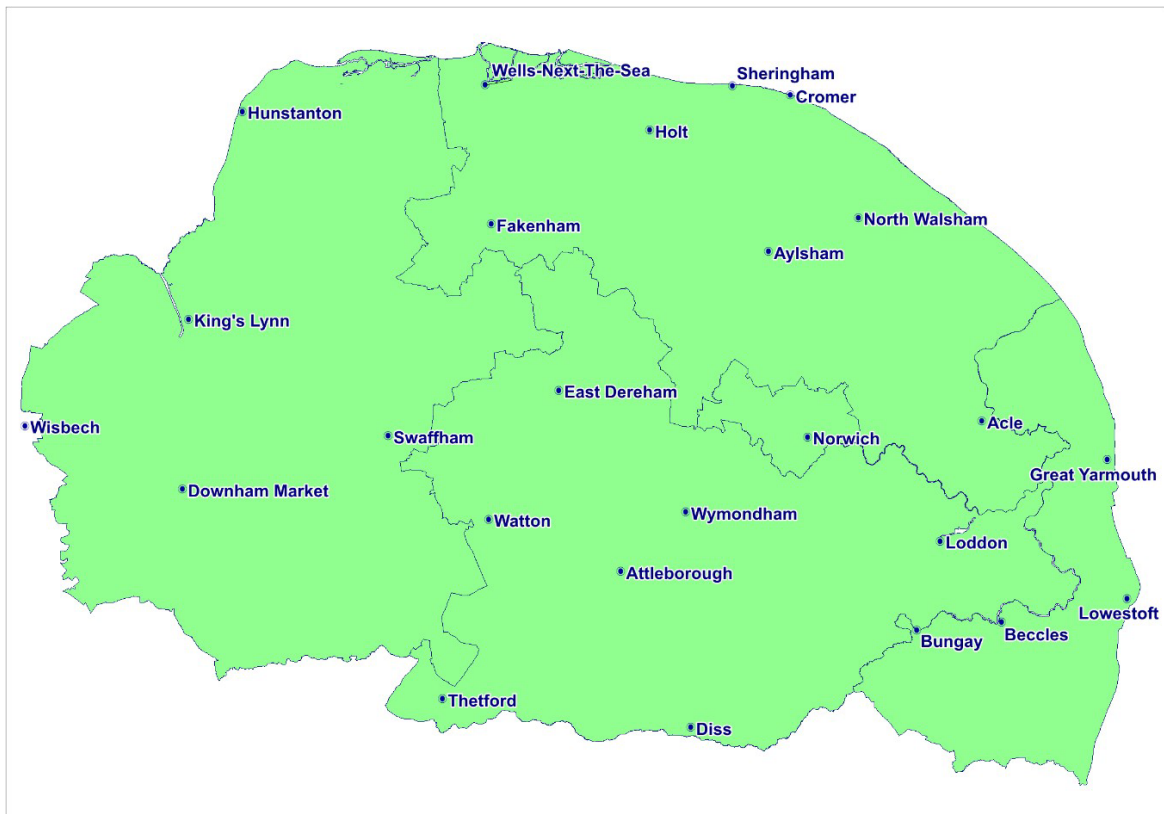

1.2 Name

1.2.1 The name of this Integrated Care Board is NHS Norfolk and Waveney Integrated Care Board (“the ICB”).

1.3 Area Covered by the Integrated Care Board

1.3.1 The area covered by the ICB is set out in the map below. The ICB covers the whole of the area covered by Norfolk County Council. - 1.4.1 The ICB is established by order made by NHS England under powers in the 2006 Act.
- 1.4.2 The ICB is a statutory body with the general function of arranging for the provision of services for the purposes of the health service in England and is an NHS body for the purposes of the 2006 Act.
- 1.4.3 The main powers and duties of the ICB to commission certain health services are set out in sections 3 and 3A of the 2006 Act. These provisions are supplemented by other statutory powers and duties that apply to ICBs, as well as by regulations and directions (including, but not limited to, those made under the 2006 Act).
- 1.4.4 In accordance with section 14Z25(5) of, and paragraph 1 of Schedule 1B to, the 2006 Act the ICB must have a Constitution, which must comply with the requirements set out in that Schedule. - 1.4.5 The ICB must act in a way that is consistent with its statutory functions, both powers and duties. Many of these statutory functions are set out in the 2006 Act but there are also other specific pieces of legislation that apply to ICBs. Examples include, but are not limited to, the Equality Act 2010 and the Children Acts. Some of the

statutory functions that apply to ICBs take the form of general statutory duties, which the ICB must comply with when exercising its functions. These duties include but are not limited to:

- a) Having regard to and acting in a way that promotes the NHS Constitution (section 2 of the Health Act 2009 and section 14Z32 of the 2006 Act);
- b) Exercising its functions effectively, efficiently and economically (section 14Z33 of the 2006 Act);

- g) Provisions of the Civil Contingencies Act 2004

1.4.6 The ICB is subject to an annual assessment of its performance by NHS England, which is also required to publish a report containing a summary of the results of its assessment.

1.4.7 The performance assessment will assess how well the ICB has discharged its functions during that year and will, in particular, include an assessment of how well it has discharged its duties under:

- a) section 14Z34 (improvement in quality of services),
- b) section 14Z35 (reducing inequalities),
- c) section 14Z38 (obtaining appropriate advice),
- d) section 14Z40 (duty in respect of research)
- e) section 14Z43 (duty to have regard to effect of decisions)
- f) section 14Z45 (public involvement and consultation),
- g) sections 223GB to 223N (financial duties), and
- h) section 116B(1) of the Local Government and Public Involvement in Health Act 2007 (duty to have regard to assessments and strategies).

1.4.8 NHS England has powers to obtain information from the ICB (section 14Z60 of the 2006 Act) and to intervene where it is satisfied that the ICB is failing, or has failed, to discharge any of its functions or that there is a significant risk that it will fail to do so (section 14Z61).
