

MATERNITY CONNECT

WHAT IS MATERNITY CONNECT?

Norfolk and Waveney LMNS and Norfolk Libraries are working together to support pregnant women who have difficulties accessing the internet, to ensure that all pregnant women have:

- Access to your GP surgery and hospital online appointment bookings, pregnancy information and health apps
- Access to internet based pregnancy support offers from your local hospital and pregnancy support networks
- Access to connecting with friends and family online

DO I QUALIFY FOR THE SCHEME?

To qualify for the scheme each person will:

- Be pregnant
- Live in Norfolk and Waveney
- Having no/limited access to the internet
- Have no suitable device

NORFOLK LIBRARY AND INFORMATION SERVICES (NLIS)

Norfolk Libraries have an online library service and offer a start-up data package to people in the community, and will be providing this service for people affected by cancer as part of the Maternity Connect Scheme. What do you get:

- A tablet device, delivered to your home in a COVID-19 secure manner
- Access to library support for device set up
- Access to the internet for a period of time and support to set up your own Wi-Fi account
- Signposting information about local sources of information and support

**IF YOU THINK YOU QUALIFY FOR THIS SCHEME PLEASE
