

HAVE YOUR SAY

Consultation on general practice services

Norwich Walk-In Centre and GP practice, Rouen Rd

24 January - 26 March 2023

Help us shape how general practice services are offered in the Norwich area

Norfolk and Waveney

NHS Norfolk and Waveney is consulting with patients and the greater Norwich community to help shape how general practice services are offered in the greater Norwich area.

People are at the heart of local healthcare provision. That is why we are inviting you to share your views on the future of the Norwich Walk-In Centre and some of the different options we have outlined. We want your help to shape how general practice services can be delivered.

We are committed to listening to and engaging with local people and communities to provide effective general practice services that meet local people's needs and benefit the public.

So, if you have ever used the Norwich Walk-in Centre then we really want to hear from you.

We want to hear from you!

From 24 January - 26 March 2023, you can share your feedback about our proposed options for the Norwich Walk-In Centre and general practice services in this consultation survey.

Paper copies are also available at the Walk-In Centre, and the GP practice on Rouen Road.
