

Already completed your Good Clinical Practice (GCP) Introduction E-Learning?

Take it to the next level with our GCP consolidation course

Why attend?

- Strengthen your understanding of GCP principles
- Apply knowledge to real-world scenarios
- Ensure compliance and confidence in clinical research
- Ideal for nurses, coordinators, investigators and support staff

Learner Feedback

“What I like the most about the workshop is interactive learning and learning from both trainers and co-trainees.”

“The GCP workshop was highly successful, offering a strong balance of theory and hands-on practice that enhanced both conceptual understanding and practical application.”

“Excellent content, delivery style, and well-experienced facilitators”
