

Research Engagement Network (REN) Norfolk and Waveney Community Research Hubs

Welcome to February's update

We have now helped to set up five community research hubs in Norfolk and Waveney. Each one is led by three local community VCSE organisations (Voluntary, Community, or Social Enterprise).

Great Yarmouth Community Research Hub

led by:

Shrublands Youth and Adult Centre

Provides activities for recreation and education that benefit the residents of Gorleston.

Feathers Futures

Brings women together into a connected Community group in Great Yarmouth.

Procommunity CIC

Works with local residents, services and Businesses to build stronger communities.

Lowestoft Community Research Hub

led by:

Kirkley Peoples Forum

A People's Health Trust initiative supporting residents.

Disability Advice North East Suffolk (DANES)

Provides information and advice.

Women Like Me

Supports women needing informal help and connection.

Norwich Community Research Hub

led by:

Opening Doors

User-led organisation for people with learning disabilities.

Vision Norfolk

Supports people with visual impairment.

Bridge Plus+

Advice and advocacy for ethnic minority and migrant communities.

Theftord Community Research Hub

led by:

The Polish School

Teaches Polish language, culture, history.

Access Community Trust

Supports communities across accommodation, wellbeing, enterprise.

Menscraft

Supports men and boys through life stages.
